GEOCACHING

INTRODUCTION TO GEOCACHING – January 10, 1000-1400

FIND MWR GEOCACHING CONTEST – January 14-18

Geocaching is an outdoor treasure-hunting game in which participants use Global Position System (GPS) receivers to seek "geocaches" hidden in a given area. The Jan 14-18 contest will involve finding caches hidden at MWR sites around Humphreys. The event starts at 0800 Jan 14 and ends at 1200 Jan 18, with an awards ceremony at 1800 to recognize the fastest three times. Attend the Jan 10 Introductory session at Laser Tag to learn the lingo, equipment, websites and how to find caches. Children can participate but only if accompanied by an adult. Call for more information.
